**RE: AAll Twin Cities Chapter and SIG Meetings**

**Chapter Activities**

While making plans for a Chapter in-person meeting, I discovered a dead-end, or maybe I should call it a long red stop light. AAll cares about your safety and, in particular, it tries to address remaining COVID-19 risks with a strong net of conservative prudence. As the Chapter's president, I can see that our chapter is not able to comply with all the necessary AAll COVID-19 requirements for in-person meetings. Once I receive notice that the requirements have been removed, when the full breadth of COVID-19 risks have fallen away, we'll resume planning for in-person chapter and/or SIG meetings. I know many of you are looking forward to that day. I'll now turn my attention back to putting on a Chapter Zoom meeting.

**Twin Cities Chapter Special Interest Groups (SIGs)**

Twin Cities AAll Chapter SIG meetings provide an opportunity for Chapter members to gather on a regular basis, usually monthly and in small groups. While the SIGs focus on investments, there can be a wide range of investment areas covered across the SIGs and within any one SIG. Many SIG leaders do not require advance registration--some may request an RSVP.

**Current SIG**

**3T SIG.** "The Third Tuesday" (3T) SIG discusses general investment topics and participants share investment ideas. It meets via Zoom the on the third Tuesday of each month at 7:00 p.m., CT. Mr. Kent Kelly is currently serving as the 3T SIG leader, you can reach him at: [TuesEveSIG@gmail.com](mailto:TuesEveSIG@gmail.com). To get on the email notice list for the 3T SIG meetings, please provide Kent with your name, email, and phone number. The 3T SIG was formerly known as The Chefs and focused on the art of investing.

**Proposed SIG**

**Are you a day trader?** One of our Twin Cities AAll Community members would like to put together a Special Interest Group (SIG) that would focus on day-trading. This would not be an environment to learn about day trading; rather, participants should be existing, experienced day-traders who are looking to share their knowledge and experiences with each other. If qualified, send me your name, email and phone number. If there is enough interest, either I or the pending leader of the SIG will connect with you within the next month or so to let you know what happens next.

**Other SIGs**

**The Cooks SIG.** This SIG has been run by Lee Wenzel, former Chapter President, but it is no longer recruiting new members.

**Eden Prairie Senior Center SIG.** This group has long been in the Chapter's sphere of communications but the Senior Center is now really the sole sponsor of this group. Go to this web page (under "Investment Group") to learn more: [Discussion, Learning and Support Groups | City of Eden Prairie](#). Contact Ken at this link to get on their email list: [kander5287@aol.com](mailto:kander5287@aol.com). Lee Wenzel leads this group at the Center from 1-3 p.m., CT on the second Thursday of each month.
